

Finance and Accounting Career Opportunities

Learn. Innovate. Grow.

With the Premier U.S. Based Finance and Accounting Outsourcing Firm™

Rose Financial Solutions (RFS) is leading the revolution to improve the financial performance of companies through financial clarity, and we are pioneering the finance and accounting outsourcing industry along the way.

RFS is the only career option that provides a clear career track from entry level accounting to CFO.

We are constantly developing ways for our employees to grow, develop and advance. We adopt agile concepts to develop new products and services that are changing the industry. As a result, we increase the quality of services provided to our clients and make sure all of our associates are professionally developed to their full potential. We utilize interactive processes to prioritize client needs, design process improvements and work with developers to build out solutions.
