DATAWATCH+ SYSTEMS

Leading the Way in Access Control

Tuesday, October 26, 2021 • 10:30 a.m. – 1:00 p.m.
Wheaton American Job Center
11510 Georgia Ave, 3rd Floor, Wheaton, MD 20902

Every second of every day, Datawatch Systems remotely monitors more than 100,000 doors to ensure the safety of the people passing through them. Building owners, property managers, and tenants trust us, as an industry leader, to protect their most valuable assets – their employees, residents, and visitors – in more than 4,000 buildings throughout the United States and Canada. At any given time, more than 2,000,000 credentials issued by Datawatch Systems are in use, with that number constantly increasing as the company meets the expanding demands of world-class businesses and organizations.
