"We are a multi-award winning company focused on empowering people, business leaders, and organizations in realizing their mission. Originally founded by Pierre Walters in 2007 as a boutique film production company, Blue Artists was reborn in 2012 in partnership with Britney Walters as a broader creative agency. Over the next eight years, the pair would lead the growing company to serve hundreds of unique small business owners and entrepreneurs, eventually emerging as a conglomerate in 2020 with the launch of ten additional businesses including their proprietary platform called Brand Desk."
